What is this ACE Atlanta fundraising event?

ACE Atlanta thanks the Atlanta BeltLine for inviting us to participate in their second annual BeltLine Night at the Braves on Thursday, August 5, 2010. Other organizations, both corporate and non-profit, that support the Atlanta BeltLine will have information booths to educate the public before and during the game in Monument Grove in Turner Field. Come learn more about the Atlanta BeltLine and how it's shaping Atlanta, and about ACE Atlanta and how we're helping high school students shape their own future!

How to support ACE Atlanta - it's simple!

Buy Braves tickets through ACE Atlanta for the August 5th Braves game. Half of the proceeds from these \$12 ticket sales will directly benefit ACE Atlanta. All checks must be made out to "ACE Atlanta".

Who do you contact to buy Braves Tickets for this fundraiser?

Please contact any of the ACE Atlanta Board members listed below to buy tickets for this game. Please note: these \$12 tickets are upper box tickets. Parking is NOT included.

How do you get your tickets?

Stop by the ACE Atlanta table in Monument Grove at Turner Field (outside of entrance to Turner Field) and pick up your tickets before the game.

What is the "Parade of Families"?

As a supporter of ACE Atlanta and part of the Atlanta BeltLine Night at the Braves, you will be able to walk onto the field in front of your hometown crowd before the game starts. Please make sure you are on the Patio by 5:10 PM to participate in this very special event. The Atlanta Braves coordinate this very special event - take advantage of this unique opportunity!
