

Terms of Scholarship

Approved by the Board of Directors on January 12, 2010

Congratulations on your scholarship! To indicate your acceptance, please sign this form and return it per the instructions below.

1. Fields of study covered by this scholarship are architecture, engineering, construction, and related disciplines, as defined by the Acceptable Majors for Scholarship Awards list.
2. A check will be issued in the fall of each year to the student, in the amount of one-fourth of the scholarship award. This payment shall be made in four consecutive annual installments, or until the student graduates from a four-year program, whichever comes first.
3. If the student is enrolled in a qualified five-year program, the student may apply for an additional fifth payment by submitting a disbursement form and associated information. The Board will consider these applications on a case-by-case basis, and awards will be subject to the availability of funds.
4. For the student's first year, the student shall provide ACE with official confirmation of the student's enrollment and his/her selected major.
5. For each year thereafter, the student shall provide, in addition to the information requested above, a copy of his/her previous semester's transcript.
6. The student may change colleges without affecting this scholarship.
7. To avoid forfeiting the remainder of the scholarship, the student must remain in good academic standing, must continue in a field of study covered by ACE, and must annually provide to ACE the information requested above.
8. In order to release an annual payment, a satisfactory "Scholarship Disbursement Request" must be received. It is the student's responsibility, each year, to provide ACE with the required information.

I have read and I understand the above terms
