

THOMAS MADDEN

OBJECTIVE

To obtain a job that will enable me to develop my academic potential and teach me the responsibility needed to transition into a more adult role.

EXPERIENCE

*** SUMMER 2008- Lead Counselor at Young People's Day Camp**

Working with 8 and 9 year old children assisting the Senior Counselor

2007-2008 ACE Mentorship/Internship Program New York, NY
Member, Team #1 New York City

- Learned many new skill sets, and how to work as a team player
- Part of a cohesive team that put together a workable plan to potentially benefit the children of Hempstead

2006-Present Katherine Barrett Flushing, NY
Computer Tutor

- Conduct weekly Internet, Word Processing and other computer skill lessons for an elderly woman
- Learned how to problem solve, and how to have patience with people

2006-2008 Interboro Institute New York, NY
Lab Technician Intern

- Worked with Prof. Robert Guerriero in Ophthalmic Dispensing
- Responsible for cleaning and organizing all spectacle and contact lenses, and filling in as a patient so students could get real hands-on experience giving eye exams and fitting contact lenses

EDUCATION

2005-Present Archbishop Molloy High School Briarwood, NY

- Entering Senior Year Fall 2008
- Plan to start 4 year college Fall 2009 majoring in Engineering

INTERESTS

Very involved with Peer Groups and Retreats at school -Named Peer Group leader for Academic year 2008-2009 Also enjoy playing flag football, listening to music, playing tennis and going to the gym
