Objective

Objective: An entry-level position in Electrical engineering where strong leadership ability and good communication skills are needed.

Education

Polytechnic University, Brooklyn NY
BS in Electrical Engineering
Expected date of graduation: 5/11

Courses

- Intro to Prog Methodology
- Calculus 1
- Calculus 2
- Intro to Physics 1
- Writing & Humanities 1
- Intro to Engineering & Design
- Object Oriented Programming
- Writing & Humanities 2

Skills

Languages: C++,
Software: AutoCAD, LabView, MS Office 2007
OS: Windows 95, Windows XP, Windows Vista

Experience

9/2003 - present

William E Grady
First Robotics New York, NY

- Learned Skills in order to built a robot
- Used various machines
- Used AutoCAD to generate blue print
- Built Frame and Drive Train of the robot
- Part of the brainstorming Team
- Recently a Mentor on the team

9/2005 - 2007

ACE Mentor Program

- Part of the Electrical Team
- Presented Project
- Worked as a team

Activities

9/07 - present

Member of National Society of Black Engineering (NSBE)

9/07 - present

Member of Institute of Electrical & Electronics Engineers (IEEE)

9/07 - present

Member of Student council
