How long have you been a mentor? Since 2010

Who or what inspired you to join ACE as a mentor?

The two mentors I had in my personal career development are my inspiration.

What have you found to be most rewarding about being a mentor?

The sense of accomplishment you feel when you realize that your students understand.

What is the most surprising thing(s) you've learned from being a mentor?

Your students will remember your sincerity, and their capacity to meet a challenge.
