ACE Mentor Bio

Frances Morrobel
Gilbane
Estimator

Education:

Syracuse University, Syracuse, NY, Bachelor of Science

How long have you been a mentor? This is my first year participating in the program.

Who or what inspired you to join ACE as a mentor? Gilbane is a proud sponsor and participant in the program. The company's passion and dedication for the program inspired me to become a mentor.

What have you found to be most rewarding about being a mentor? It is gratifying to see the students implement ideas, develop their skills and find solutions to challenges. They enjoy being part of the program while learning. Overall, it is a great feeling to know that you are having a positive impact in a student's life.

What is the most surprising thing(s) you've learned from being a mentor? The students are very inquisitive and are great team players. I learned that mentorship not only helps a student along their career path, but it always helps develop their social skills and confidence.
