About ACE: The ACE Mentor Program of Central Iowa (ACE C-IA) is an affiliate of the ACE Mentor Program of America. Since 2006, ACE C-IA has introduced over 600 Des Moines-area high school students to the integrated construction industry. Further, through the generous donations by local architecture, construction, and engineering firms, ACE C-IA has awarded nearly $100,000 in scholarships to further their ACE-related education. The ACE Mentor Program of Central Iowa was recognized as an exemplary STEM Program by Governor Branstad’s STEM Advisory Council in 2012.

The ACE Mentor Program of America, established in 1995 in New York, currently has a presence in over 200 cities across the US. The ACE Mentor Program of America has received the 2014 Institute Honors for Collaborative Achievement from the American Institute of Architects, and the 2010 Presidential Award for Excellence in Science Math and Engineering Mentoring.
