

ACE MENTOR PROGRAM
ARCHITECTURE • CONSTRUCTION • ENGINEERING

All ACE San Antonio Affiliate student applicants must also answer the following five (5) questions. Please type the questions below followed by your answer in the space provided on the online application.

Additional Essay:

1. What was your school's ACE Team Project? Give the details of the overall project.
2. What was your role in your school's ACE Team Project; what you worked on and contributed to in the project?
3. What design programs and design techniques did you learn during the ACE Mentor Program?
4. What would it mean to you if you were to receive this ACE Scholarship?
5. What are your needs in order to continue your education? Please note that underclassmen are only eligible for Summer Programs.

Rank the following (1 being what you desire the most – 5 being the least):

Scholarship Money
Computer
Drawing kit/Sketchpads
Summer Programs
Other (Please be specific)
