Dear Parent/Guardian:

In order to more effectively communicate with students, ACE Mentoring of DFW has developed an optional mobile messaging program. The purpose of the program is to quickly inform students and parents regarding meeting locations changes, inclement weather cancelations and general reminders regarding upcoming ACE activities using Short Message Service (SMS) communications protocol to interchange short text messages between mobile telephone devices.

The following rules will be in effect should you choose to enroll in this optional program:

1. The messages will only be sent out by the ACE Mentor Coordinator(s) for ACE Mentoring of DFW.
2. The messages will only be sent to the student and/or parent/guardian mobile numbers that you provide us on this form in the fields shown below.
3. The list of enrolled phone numbers will only be used by and made available to the ACE Mentor Coordinator(s) for ACE Mentoring of DFW.
4. The list of enrolled phone numbers will not be posted, shared, sold, traded, or publically displayed.
5. The message length will be limited to 160 characters per message (one standard length SMS text message)
6. The number of messages sent in any one calendar month will not exceed five (5) messages.
