**How long have you been a mentor?** Nine years

**Who or what inspired you to join ACE as a mentor?**

I enjoy working with young people and introducing careers that they may never have thought of.

**What have you found to be most rewarding about being a mentor?**

Seeing all of the hard work come together at the end of year events.

**What is the most surprising thing(s) you've learned from being a mentor?**

The ability of the students to use technology and their understanding of sustainability and its importance.
