

\$1,000 Scholarship from Tallo for an ACE Affiliate | 2018-2019

Affiliate Leaders,

I am excited to announce that our partner Tallo is extending an *exclusive* offer to ACE – a **\$1,000 scholarship** for the affiliate with the greatest percentage of students signed up for Tallo!

Here's the deal: The ACE affiliate with the highest percentage of students on Tallo by May 1, 2019 will win \$1,000 which it can award to any student(s). Affiliates will also be judged according to the overall completion and strength of their students' Tallo profiles.

What is Tallo? It's a free app that connects talent with opportunities across the country, like the ACE Mentor Program. Tallo enables students (age 13+) to design digital resumes to showcase their skills and abilities and share with colleges and potential employers.

ACE students joining Tallo will be instructed on how to tag their affiliate chapter to their account – this will be tracked by the ACE national office.

Ready to get your students on to Tallo? It's quick, fun, and a great way to introduce students to the importance of building a professional presence online.

Just [click here](#) to access a simple “how-to” handout for your students.

If you have any questions, please contact me or Stirling Rentz from Tallo at srentz@tallo.com

The results of this contest will be announced in mid-May 2019.

Thank you and good luck.

Jack Tipton | Regional Director Southeast
