## The ACE Mentor Program of Oregon is looking for volunteer mentors!

ACE is a free after-school mentorship program for high schoolers. Mentors help students design a building, learn valuable work skills and explore careers in architecture, construction and engineering.

ACE mentors give back to our community, inspire the next generation and attract new talent to the industry. Please join us in 2020!

### ACE MENTOR MIXER

Wednesday, October 2, 2019  
5:00–7:00 PM  
Kells Irish Restaurant & Pub

Learn more about ACE & mentoring at our free mix-and-mingle event. RSVP to [ace@portlandworkforcealliance.org](mailto:ace@portlandworkforcealliance.org)
