MISSION

With a mission to excite, engage, and educate students in pursuit of careers in architecture, engineering, and construction, our work is led by mentors, driven by students. Through generous support, the ACE Mentor Program has helped thousands of students from diverse backgrounds across the country reach new heights and discover new career pathways to a bigger, brighter future.

PROGRAM IMPACT

Since 2021, the ACE Mentor Program CA Capital has introduced local high school students to the architecture, engineering, and construction industries, inspiring the next generation through hands-on learning, mentorship, and financial support for educational advancement.

CAREER AND COLLEGE READINESS

- 2 students sponsored for summer camp
- 13 externship placements for hands-on experience

SCHOLARSHIPS

- Awarded 5 scholarships totaling \$7,000
- 1 outside scholarships totaling \$2,500
- Awarded 1 alumni scholarship totaling \$2,000

A FUTURE BUILT BY ALL, FOR ALL.

"My experience as an ACE Extern is phenomenal! I appreciate the opportunity to see how an engineering firm works. Being part of the team and included is delightful – it brings me confidence for my future"

"My favorite part of the ACE summer camp had to be late nights at the CAP bonding with my peers while we were finishing our final projects. We found a way to bond over ice cream breaks, blasting music, and collaborating to help each other achieve our deadlines. What surprised me the most was the willingness for our professional mentors to help us succeed and talk to us about our projects and answer questions thoughtfully."
