

JOIN US!

ACE is an FREE after-school program that gives students a hands-on introduction to Architecture, Construction, & Engineering

Program Runs:
SEPTEMBER - MAY
TUESDAYS (bi-weekly)
FROM 5:30 - 7:30

WHAT?

ACE could be for you if you're interested in designing & building just about everything around you--from schools, stadiums, concert halls to bridges, tunnels, shopping malls, parks, & more!

The program matches you with ACE professionals, or mentors who show you where and how they work, the skills they use and some of their projects under construction.

WHY?

1 Scholarships

Participation in the program & pursuit of an ACE related career qualifies eligibility for a partial college scholarship through the local ACE Scholarship Program.

3 Career Guidance

Your exposure to a variety of disciplines & specialties within the construction industry helps you decide which ones are right for you!

2 Job Opportunities

Meeting at a mentor's place of work opens up opportunities for jobs, shadowing, internships, and helps prepare you for the professional work environment.

4 Better Skills

The program helps you to develop a variety of skills, such as drawing, writing, presenting, problem solving & public speaking.

HOW?

REGISTER ONLINE
Easy online sign-up!
