ACE MENTORS CHARLESTON

ACE MENTOR GREATER CHARLESTON

Dear Corporate Sponsors,

The ACE Mentor Program of America, Inc. (ACE) 501(c)(3) helps guide high school students and inspires them to explore careers in design and construction. Our mission is to **ENGAGE**, **EXCITE** and **ENLIGHTEN** high school students to pursue careers in architecture, engineering, and construction through mentoring and to support their continued advancement in the industry.

During the 2025 school year, the ACE Mentor Program of Greater Charleston's various ACE Mentoring programs across the Lowcountry provided mentees the opportunity to learn about the professional industries and perform a presentation at the end of the year. As always, the "ACE spirit" of students and school champions remained steadfast, as ACE Mentors ensured that students had an opportunity to learn and explore architecture, construction, and engineering.

For the 2026 school year, ACE Mentors will be active during the spring semester at East Cooper CAS, Cooper River CAS, Fort Dorchester, and Charleston Math and Science. Mentors will continue to assist and guide students by giving key lectures about the AEC industries, leading engaging classroom activities and site visits, and providing feedback on project designs, all to showcase pathways to pursue careers in the industry.

Your donations will help fund scholarships for high school seniors, provide resources for mentoring activities and events, and support overall programming for the 2025 - 2026 school year.

On behalf of ACE Mentors of Greater Charleston and participating students across the Lowcountry, we thank you for your support!

Sincerely,

Bryanna Dering-Weyrich
LS3P Associates
Chairman, ACE Mentor Program of Greater Charleston

WHY DONATE?

ACE WORKS TO STRENGTHEN THE WHOLE A-E-C INDUSTRY

and its future workforce by introducing high school students to the full process of designing and building a project

ACE REACHES OVER 14,000 STUDENTS ANNUALLY

drawn from over 1,500 high schools nation-wide

OVER 70% OF ENROLLED STUDENTS IDENTIFY AS PEOPLE OF COLOR

and about 40% identify as women, approximately double the 2022 A-E-C industry averages

MORE THAN 5,000 INDUSTRY PROFESSIONALS

serve as volunteer mentors each year

NEARLY \$4.5 MILLION IN SCHOLARSHIPS

was awarded this past year to students and program alumni pursuing industry-related careers, totaling more than \$37 million since ACE's inception

ACE CHS HAS AWARDED SCHOLARSHIPS TO OVER 25 STUDENTS

Participating students have attended college at Clemson, U.S. Air Force, Spartanburg Methodist College, Benedict College, Trident Technical College, TriCounty Technical College, and The Citadel
