

WHAT DOES IT TAKE TO BE AN ACE MENTOR?

» PASSION

» COMMUNITY

» IMPACT

Help renew our aging industry by sharing your ACE career journey with high school students

- Commit to 1 of the 5 Tampa ACE locations.
- Show up for class. Tuesday nights 5:00–6:30PM Free dinner provided!
- Lead mentor kicks off class.
- Guest speaker for the night's topic speaks for the first half of class. They share their background of how they got in to "Civil Engineering", pathways for college, licenses/certifications require, "day in the life of", average pay structure, project highlights, main roles and responsibilities of their profession. Students and mentors are encouraged to ask questions or share insights!
- Second half of class, students break up in to small groups and complete an activity focused on the topic they learned that night. The mentors walk around and talk with the students about the activity and encourage, challenge, and assist.

Volunteer Opportunities:

- ★ Fall Kick-off
- ★ Trades Day
