# ABOUT ACE

The ACE Mentor Program of Washington is just one affiliate of the ACE Mentor Program of America. There are 77 affiliates all over the country.

ACE in Washington started in 2001, with just one team with 11 students.

For the last 21 years, thousands of students have met with hundreds of mentors to learn about architecture, engineering, and construction careers. To date, \$1,121,000 in scholarships have been awarded to seniors studying these fields in college. We anticipate awarding another \$100,000+ to this year's seniors in June.

The best part? Several ACE alumni are back in Puget Sound working for the firms that mentored them, and even now mentoring for ACE! **ACE works!**

# STUDENT PROJECT

For the 2022-2023 school year, 255 students from 60 area high schools completed ACE. They were mentored by 220 professionals representing a *record* 80 local firms. Twelve groups (seven in Seattle, three in Bellevue, and two in Tacoma) met every other week to study every step of the building process, from the initial architectural designs to the final construction components.

This year, the ACE student design challenge was for an educational aquatic center on either a site in Seattle, Kirkland, or Tacoma. The "RFP" (Request for Proposal) outlined several aspects of the design:

- 15,000 square feet
- Visitors' center with interactive aquatic tanks, classrooms, offices, community room/auditorium & outdoor point-of-interest spaces
- Sustainable design features & potential certifications (LEED, ILFI, etc.)
  - \$25 million budget

Special thank you to **Seneca Group (plus assistance from Gemdale and Freestone Capital)** for providing the 2022-2023 RFP and serving as an "Owner" mentor during sessions this year.

## ***Welcome to Student Presentation Night!***

Seven ACE teams will present their design projects in three auditoriums. Audience members are encouraged to participate in Q&A after the presentations.

# SENIOR INSTRUCTIONS

## REGISTER AS AN ACE ALUMNUS

### SENIORS!

Before you move on to a bright post-ACE future, we need you to do two important tasks: provide ACE with a permanent email address and register as an alumnus.

### UPDATE EMAIL ADDRESS

If you currently use a school email address, it will expire soon and we will lose contact with you! **Instructions:** Log into your existing ACE profile. (Do NOT register as NEW student!) Go to the “profile” section, and look in the top right corner for the ACTION area. From the drop-down select “edit,” change your email, and then hit the blue “Apply” button. This will allow you to update your primary email.

### REGISTER AS AN ACE ALUMNUS

ACE alumni receive e-newsletters with opportunities for jobs, scholarships, and mentoring, as well as ACE news. **Instructions:** Log into your existing profile. (Do NOT register as NEW student!) At the top of the home page, you will see the “Alumni Request” button. Click “Register.” It’s that easy!

The screenshot shows the ACE Mentor Program website interface. On the left is a dark navigation sidebar with links for Home, Profile, Scholarships, and Program Years. The main content area features a header with the ACE logo, the text 'ACE MENTOR PROGRAM ARCHITECTURE • CONSTRUCTION • ENGINEERING', and the slogan 'Engage Excite Enlighten'. Below the header is a pink bar with social media icons and the URL www.acementor.org. The main content area has a 'TEAM REQUEST' section with a 'Request Team' button. Below that is an 'ALUMNI REQUEST' section with a 'REGISTER' button circled in red. At the bottom of the main content area is an 'APPLY NOW!' link. A 'Test test' label is visible in the top right corner of the screenshot.

A final word of advice: Stay in touch regularly with your mentors. They are a valuable professional network which none of your peers have. Let them know how things are going for you.

**GOOD LUCK IN YOUR FUTURE ENDEAVORS.  
ACE IS PROUD OF YOU!**

# SUPPORT ACE

## PLEDGE YOUR SUPPORT FOR THE ACE PROGRAM

It costs about \$300 per student to run the ACE Mentor Program. Tax-deductible donations from corporate firms and individuals like you allow us to continue to offer this \$1.5-million program free of charge to students all around Puget Sound.
