

# 2024

## SPONSORSHIP OPPORTUNITY

### WHY I SUPPORT ACE

When I donate to ACE Mentors of Alabama, I know that I am contributing to the future success of young professionals in the Architecture, Construction, and Engineering industry. With my donation, ACE is able to mentor high school students through a challenging extra-curricular program during the school year. Perhaps more importantly, ACE awards several scholarships to help these hard-working students pursue their dreams of higher education.

- Ryan Collins, Dix.Hite+Partners

### ACE NEEDS YOUR HELP

Since our start in 2004, the ACE Mentor Program of Alabama has invested thousands of mentoring hours and tens of thousands of dollars of scholarships toward the college education of ACE students. This year's seniors have great potential, and many of them have participated in ACE for multiple years. We are very excited about their future, and need your help to meet our goal of **\$30,000** to fund the scholarships that will help them get the degree they have been dreaming about since their first ACE meeting!

Our volunteer mentors: **professional architects, engineers, and contractors**; share knowledge and passion for the ACE industry through a curriculum designed to introduce them to the variety of careers available as well as prepare them for getting a quick start in college. Throughout the year, they visit construction sites and professional offices to learn about the day-to-day realities of the jobs as well as challenge their creative spirit through design and build competitions, making the program a unique, hands-on learning experience.

### HOW YOU CAN SUPPORT ACE

Every contribution is helpful in making ACE possible. All contributions directly benefit students who are dedicated to the program and are currently interested in pursuing careers in architecture, construction, engineering, interior design, and landscape architecture – thanks to the ACE program.

You can help ACE in two ways: **VOLUNTEER** or **DONATE**

ACE Mentor Program is a 501(c) 3, making all contributions tax-deductible, to the extent allowed by the law. If you are interested in supporting ACE or would simply like more information, please fill out the pledge card below and email to: [acementoralabama@gmail.com](mailto:acementoralabama@gmail.com)

SPONSOR LEVELS	DONATIONS
SKYSCRAPER	\$10,000
CORNERSTONE	\$5,000
FOUNDATION	\$2,500
PILLAR	\$1,000
